

RESOLUTION NO. 22-1999

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MILWAUKIE, OREGON,
SUPPORTING POSSIBLE DEVELOPMENT OF A SKATE PARK.**

WHEREAS, we believe that the youth in the communities of Oregon City, Milwaukie, Oak Lodge and Gladstone would benefit from greater recreational opportunities and

WHEREAS, we understand that a significant number of these youth have expressed a desire for greater recreation opportunities from development of a locally available skate park and

WHEREAS, we believe that a skate park, if constructed, would serve recreational needs on a regional basis and therefore several communities working together on possible development of a skate park would be most appropriate and

WHEREAS, we understand that vacant land near Clackamette Park in Oregon City or other nearby location on or near a bus line may be available for a possible skate park and

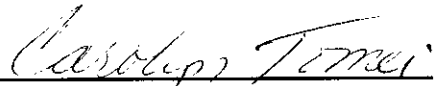

WHEREAS, we understand that grant funds in a yet undetermined amount may be available for planning and perhaps construction of a skate park and

WHEREAS, we also understand that planning for a skate park will include developing park design and cost estimates, and determining potential funding sources and

WHEREAS, due to the aforementioned circumstances, the Common Council of the City of Milwaukie supports working together with representatives of other communities to potentially develop a skate park at Clackamette Park or other nearby location, subject to further evaluation and decision.

NOW, THEREFORE, BE IT RESOLVED that the Mayor be authorized to sign this resolution in support of potentially developing a skate park at Clackamette Park or other nearby location,
